Gabinete para o Desenvolvimento do Sector Energético

DIR/003 (E)

CODE: SEM41-11-2016-SMTA

TITLE: Enhancing Energy Efficiency within an Organization: Setup of ISO 50001 Energy Management System

OBJECTIVE: Aims to introduce issues on ISO 50001 Energy Management System (EnMS) for local industries. We believe the implementation of ISO 50001 EnMS will bring organizations with multiple benefits, including enhanced energy management efficiency, significant cost saving and increased competitiveness.

CONTENT:
 

- Demand for energy management
- Benefits of adopting energy management system
- Overview of ISO 50001 standard principles and requirements
- Continuous improvement on energy management
- Energy saving best practices for SMEs
- Discussion Session

DESIGNED FOR: Personnel who are involved in setting up an energy management system for their companies, factory managers, energy managers, facility managers, energy consultants and personnel who carry out 2nd party energy audits.

SPEAKER(S): Ms. Jessica Chan, Senior Consultant, Hong Kong Productivity Council

ORGANIZED BY: Office for the Development of the Energy Sector (GDSE) & Macau Productivity and Technology Transfer Center (CPTTM)

NO. OF SEATS: 80 LANGUAGE: Chinese
