| | |
|--|---|
| Organiser: | Macau Productivity and Technology Transfer Center (CPTTM) |
| Co-organiser (General Public Category): | Labour Affairs Bureau (DSAL) |
| Sponsor: | Pearson Education Asia Limited |

Objective:

To encourage practitioners in passenger transportation service to enhance their English skills, so as to support the sustainable development of Macao as the World Center of Tourism and Leisure.

Theme: Vocational English for Passenger Transportation Service

Eligibility:

- ✧ The contest is divided into two categories: “Students” and “General Public”
 - “Students” category:
 - Students from secondary schools, colleges and universities in Macao
 - Each contestant needs to provide a copy of valid Macao Student Card and identity document
 - “General Public” category:
 - Individuals working in Macao aged 18 or above as of March 15, 2023 (Macao residents and non-resident workers are both acceptable)
 - At least one of the team members is a Macao resident
 - Each contestant needs to provide a copy of Macao Resident Identity Card or valid Macao Non-resident Worker's Identification Card
 - Contestant(s) can choose to participate in the name of their company/organization, but the video must carry the theme of the contest and promotion of the company/organization cannot be the main purpose of the video (Note: If according to the story plot, there is a need for the company/organization logo to appear in the video, the logo appearance is limited to a cumulative duration of no more than 30 seconds).
- ✧ Contestants can either participate on an individual or team basis (with a maximum of 5 team members).
- ✧ Each contestant/contesting team can participate in only one category.
- ✧ The contestant (or each contesting team **MUST** assign at least one team member) is required to participate in the Video Production Workshop, otherwise the contestant/contesting team will be disqualified from the contest and the organizer does not need to provide prior notice.

Specifications for the Video:

- ✧ Each contestant/contesting team is to record a short video (limit to 5 minutes in length) using smartphone, digital camera or other simple video recording devices (opening and end credits are considered as part of
